Guidance and procedures and stakeholder responsibilities

Absence from school and re-integration

Our shared principles

- Every child has a fundamental right to be educated, to flourish personally and to achieve their very best academic results; these are more secure with high levels of attendance.
- By law all children of compulsory age must receive a proper full-time education.
- Parents/carers and teachers have a duty to ensure maximum attendance at school.
- Our cluster expects every student and parent/carer to aim for 100% attendance in each academic term and year.

Our shared aims

- To foster and ensure maximum pupil attendance in every class and every year group in every term.
- To encourage students to take full advantage of their educational opportunities by attending regularly.
- To recognise the external factors which influence pupil attendance and work in partnership with parents/carers and the EWO to address difficulties.

Our shared objectives:

- To identify patterns of non-attendance at an early stage and work to resolve any personal/social difficulties.
- To eliminate unauthorised absences.
- To provide an effective and efficient system for the monitoring of attendance.
- To praise high levels of attendance and improvement in attendance every term.

The wider aims of our cluster attendance policy are to:

- Share the message of the importance for excellent attendance and punctuality with children, young people and their families.

- Support families with individual needs to improve attendance and their access to education.
- Work effectively with our partners to maximise levels of attendance.
- Raise levels of attainment and achievement at school through high expectations of excellent attendance and punctuality.

The Caerleon cluster aim to ensure that the provision outlined in the Attendance Policy considers the varied individual needs and expectations of all stakeholders. We aim to ensure that everyone has equal access to this provision regardless of race, ethnic origin, language, gender, disability, age, sexuality, nationality, religious or non-religious belief, family background or any other individual characteristics. We aim to ensure that all stakeholders also share these values.

Excellent and regular attendance at school is essential if students are to succeed and fulfil their potential. To ensure this, the Caerleon cluster employs a whole school approach toward attendance with class teachers, form tutors, pastoral teams, school support/attendance officer, designated leadership and the Educational Welfare Officer all fully involved in monitoring student attendance. The practice of attendance is always at the discretion of the Headteacher.

Excellent attendance is given a high profile throughout all schools, and we all aim to ensure that the students in our school attend regularly and on time, and where this is not the case, staff follow a staged procedure designed to encourage consistent attendance.

Entertainment licenses:

Schools will only consider granting leave of absence for pupils who are in possession of an up to date entertainment/performance license.

Leave of absence in term time

The Education (Pupil Registration) (Wales) Regulations, make clear that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. If the leave is granted, Headteachers should determine the number of school days a child can be away from school.

Leave of absence will be considered by the Headteacher/attendance lead and the Governing Body. For the leave of absence to be authorised, all of the following criteria must be met:

- The child is of statutory school age (5 years and above).
- The requested leave does not fall within the assessment/examination period for the year group.

Leave of absence request forms can be obtained from the school.

Fixed Penalty Notices (FPN)

Each school in the cluster will take its own stance on the issue of FPNs in accordance with their context and understanding of the best way to tackle absence from school. Therefore, the decision around the issue of an FPN rests with each designated leader in each individual school.

FPNs may be considered appropriate when:

- At least 10 sessions (5 school days) are lost due to unauthorised absence during the current term. These do not need to be consecutive.
- Unauthorised absences of at least 10 sessions (5 school days) due to unauthorised holidays in term time or delayed return from extended holidays.
- Persistent late arrive at school, i.e. after the register has closed, in the current term. "Persistent" means at least 10 sessions of late arrival.
- Truancy, where the child has come to the attention of the police or public during school hours for being absent from school, without an acceptable reason.
- Fixed Penalty Notices are currently set at £60 and must be paid within 28 days. Non-payment within this time frame results in a total penalty of £120. Non-payment of fines will result in prosecution.

Date

Schools are open to pupils 190 days of the year which allows 175 days for holidays, rest and non-urgent appointments. Parents/Carers do not have the automatic right to withdraw their child(ren) from school for a holiday and have to apply for permission in advance. Schools are very clear about the effect term time holidays can have on pupils' progress.
