Special opportunities

The Benefits

✓ **Support for your university application**

- *Find opportunities that can help you get into university and pay for it too.*

✓ **Expectations met**

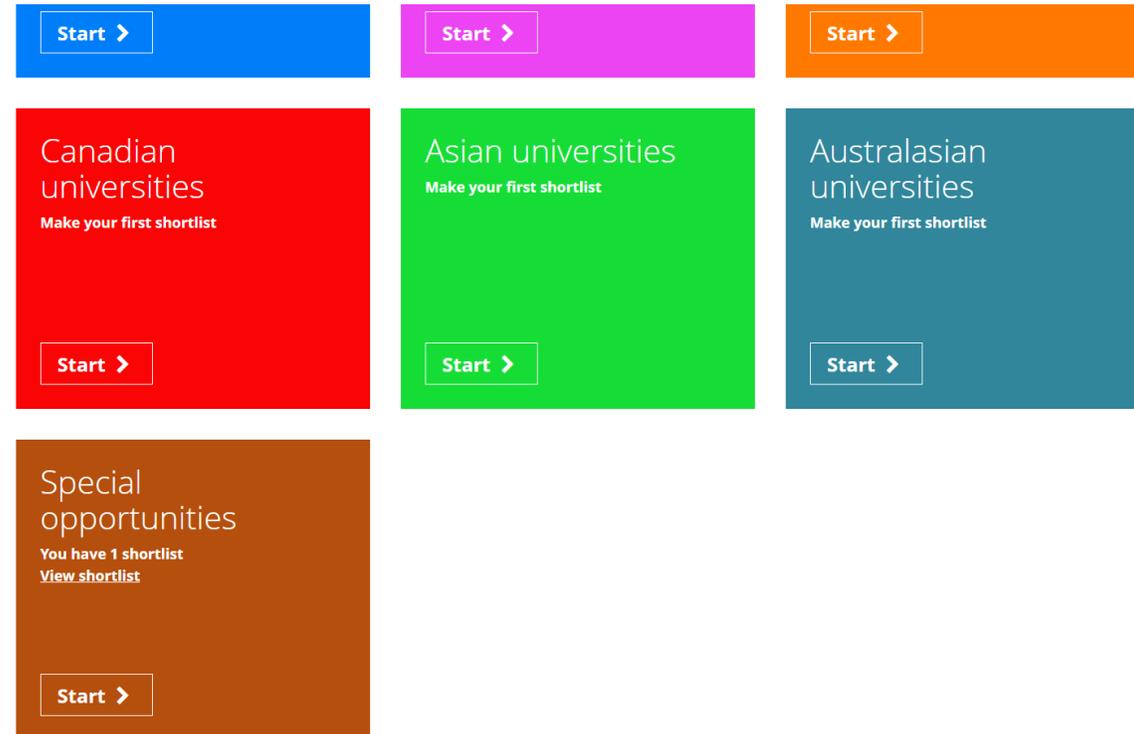

- *Filter opportunities by location, circumstance, merit and other personal eligibility criteria.*

✓ **Application support**

- *Full information & guidance on what criteria makes you eligible and how to apply for the opportunities you have selected.*

Searching for opportunities

From the student dashboard at unifrog.org/student/home, click the 'Start' button on the **Special opportunities** box.

There are **3** different types of special opportunities:

1) *Scholarships*

- Money you don't have to pay back

2) *Activities*

- Summer schools, residentials, other extracurricular activities, and free mentoring

3) *Contextual offers*

- When universities lower their entry requirements for students who have met certain criteria

What's the point of this **Special opportunities** tool? Find stuff that can help you get into university, and pay for it too.

Three types of special opportunities

1. Scholarships Money you don't have to pay back

2. Activities Summer schools, residentials, other extracurricular activities, and free mentoring

3. Contextual offers When universities lower their entry requirements for students who have met certain criteria

[next ▶](#) [or go back](#)

Click on 'next' once you've finished reading.

Here, you can select the countries that you're interested in exploring special opportunities in.

Once you've finished choosing, click 'next'.

Select countries:

Which countries are you interested in?

Select all the countries that interest you:

[UK](#) - 1085 scholarships 66 activities 75 contextual offers

[USA](#) - 1 scholarship 26 activities

[Canada](#) - 14 scholarships 7 activities

[Europe](#) - 1 activity

[Asia](#) - 1 scholarship

[next](#) ▶ or [go back](#)

You'll now be presented with the option to search for a specific special opportunity using the 'Search by keyword' box or alternatively you can scroll down the subject list and select the one(s) you're interested in.

You can also filter by opportunity type using the green tabs under the search box (e.g. so only the subjects with Scholarships are listed).

When you've finished choosing, click 'next' at the bottom of the screen.

1 Start 2 **Filter** 3 Longlist 4 Shortlist 5 Complete

Which subjects are you interested in?
 Most special opportunities are not tied to particular subjects, but some of them are! Select the subjects below that interest you.

[Alphabetical](#) [Scholarships](#) [Activities](#) [Contextual offers](#)

Subjects (94):

- (No specific subject) - 690 scholarships - 12 activities - 54 contextual offers
- Accounting - 42 scholarships - 1 activity
- Aerospace engineering and Aviation - 97 scholarships - 2 activities
- Agriculture - 2 scholarships
- Anatomy, Physiology, Pathology and Kinesiology - 11 scholarships - 2 activities
- Animal science - 2 scholarships - 1 activity

[next ▶](#) or [go back](#)

[Alphabetical](#) [Scholarships](#) [Activities](#) [Contextual offers](#)

On this page you can choose to exclude the opportunities which aren't relevant to your personal circumstance.

Select all the ones (if any) that don't apply to you and then click 'next'.

Hide opportunities:

What do you want to **exclude**?

Some opportunities won't be relevant for you:

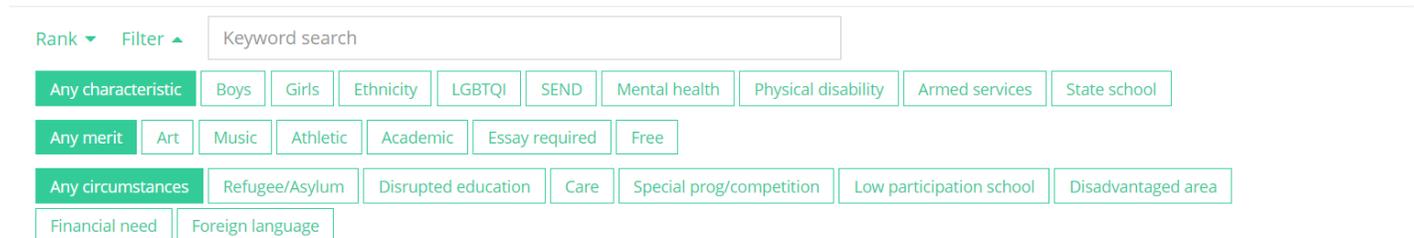

- Don't show me opportunities just for students from an ethnic minority background
- Don't show me opportunities just for students with SEND, physical disabilities or mental health issues
- Don't show me opportunities based on financial need or disadvantage
- Don't show me opportunities based on having top grades
- Don't show me opportunities just for state school students
- Don't show me opportunities just for girls

[next ▶](#) or [go back](#)

You'll then be presented with the special opportunities that you have filtered to be relevant to you and your personal circumstances separated by type (e.g. Activities) over three columns.

A breakdown of the opportunity type available and what's on offer is displayed under each option within these columns. Scroll down to see them all!

You can search by keyword, or sort these further using 'Rank' to sort by Eligibility, Deadline, Country and Institution and then 'Filter' to narrow this even more.

Select/highlight as many opportunities that interest you and when finished, click 'next:' towards the bottom of the screen.

Select special opportunities below

Pick the best opportunities for you by ranking, filtering and searching. Click next when you're done.

 Aerospace engineering and Aviation, Chemical engineering, Civil engineering, Computer games design and Games programming, Computer science and AI, Electronic and electrical engineering, General engineering, Information systems, Manufacturing engineering, Mechanical engineering, Software engineering

Institution
 Coventry University
 Located on a large and newly built campus in the centre of Coventry, students enjoy excellent facilities. With fantastic sports grounds and an award-winning library, students have everything they need to enjoy studying here. Whilst students rarely venture into town on the weekends, there are a plethora of student nights during the week. There is also a healthy rivalry with Warwick University which is down the road. Voted as the UK's modern University of the Year, Coventry has a lot to be proud of.
