

LEARNING & ACHIEVEMENT

- GCSE L2+ over 80%
- GCSE outcomes above modelled expectations for core and non-core subjects
- Stand in the gap for vulnerable learners (RADY, ALN)
- ALPS progression for maths and science at A level

WELLBEING & INCLUSION

- Raise the attendance of FSM students
- Reduce persistent absenteeism to below 20%
- Strengthen behaviour for learning through relationships and de-escalation techniques
- Develop specialist provision for our most challenging learners

TEACHING & CURRICULUM

- Embed progressive and challenging numeracy opportunities across the curriculum
- Ensure high expectations of writing accuracy and proofreading across the curriculum
- Ensure diagnostic marking identifies misconceptions and moves learning forward
- Strengthen a consistent culture of error and “no opt out” in the classroom
- Strengthen adaptive teaching and universal provision for all learners
- Ensure students and staff speak incidental Welsh regularly

ENRICHMENT & CITIZENSHIP

- Ensure Health and Wellbeing, including RSE, is high quality, mapped and responsive
- Embed a thriving student council with clear priorities and visible impact

LEADERSHIP

- Sharpen self-evaluation at all levels so improvement planning is precise and evidence informed
- Strengthen data tracking in order to secure higher outcomes for learners
